"Societe Generale S.A, Frankfurt Branch" and "Societe Generale" are referred to together as Societe Generale.

This website is governed by German law.

### Professional regulations

Societe Generale is a licensed French credit institution supervised by the Autorité de Contrôle Prudentiel et de Résolution, ("ACPR"), controlled by the Autorité des Marchés Financiers ("AMF") and under the prudential supervision of the European Central Bank (ECB). In accordance to the provision of French Code Monétaire et Financier (Monetary and Financial Code), Societe Generale, as a credit institution licensed for the provision of investment services, is authorized to carry out all banking operations and provide all investment services except for the investment service of the operation of a multilateral trading facility ("MTF") or an organized trading facility ("OTF").

### Content of this website

Societe Generale shall make its best efforts to ensure that the information displayed on this website is accurate and up to date. Societe Generale reserves its right to amend the content of this website at any time, without prior notice. However, Societe Generale is not able to guarantee that the information herein is complete or that it will not be modified by a third party (malware). Societe Generale shall not be held liable for any difficulty or impossibility to access the website due to an internet connection problem.

Societe Generale shall not be held liable for any indirect consequential loss or damage, including, but not limited to: any damage or loss arising from any transaction carried out on the basis of the information herein, any loss of profit, loss of business,

or any other loss arising from a service interruption due to an internet connection problem.

Further, Societe Generale shall not be held liable neither for the results of any factor beyond their control nor for any eventual loss or damage to the technical environment of the website users, including, but not limited to, hardware, software, or any other equipment used to access this website or use the services and/or the information herein.

### Information about Financial Instruments

The potential information or material about financial instruments on this website is provided for general information purposes only and should not be construed as a solicitation or an offer to buy or sell any financial instruments, or any substitute for any form of advice or recommendation with respect to such financial instruments.

Societe Generale accepts no liability for losses or damages which may be directly or indirectly sustained by any visitor to the website or other person who obtains access to the material on the website. Any person wishing to obtain information about Societe Generale products or services is requested to contact Societe Generale to obtain the regulatory information document (where applicable), and any other relevant information on the availability, terms and conditions, and prices.

The products described within this website are not suitable for everyone. Investors' capital is at risk. You should not deal in these products unless you understand their nature and the extent of their exposure to risk. The value of the product can go down as well as up and can be subject to volatility due to a range of factors which include, but not limited to, price changes in the underlying instrument and interest rates. This disclaimer cannot disclose all the risks and other significant aspects of the products. You should study the risk factors attaching to these products that are disclosed throughout this website.

### Product subscription and Investment services provision

The content of this website is provided for information purposes only. This information should not be construed as a public offer, a solicitation from Societe Generale to the visitor of the website. None of the services and products target persons from countries which prohibit those services and products: Each person interested by subscribing products/services should assess with his/her own advisor whether his/her legal and fiscal status allows it.

### Warning for non-resident persons

The access to the information and products on this website could be subject to restriction for certain persons or countries. None of the services and products target persons from countries which prohibit those services and products: Each person interested by subscribing products/services should assess with his/her own advisor whether his/her legal and fiscal status allows it.

### Warning for "US person"

Societe Generale is not registered as broker-dealer in accordance with US Securities Exchange Act of 1934 as amended (the "1934 Act"), nor in accordance with any other US applicable law. Furthermore, financial instruments which may be subscribed via this website are not registered, unless otherwise specified, in the US with the Securities Exchange Commission ("SEC").

**Intellectual Property**

This entire website is governed by German and international legislation on copyright, trademark and database law and intellectual property in general, both as they are applicable to its form (editorial choices, layout, topics, means for accessing data, display, etc.), and to its content (text, images, etc.).

Any reproduction, representation, diffusion or re-diffusion, in whole or in part, of the contents of this website on any medium or by any means whatsoever (including, but not limited to, caching, framing), as well as any sale, resale, retransmission or any other act tending to make such contents available to any third party in any manner whatsoever shall be prohibited, except preliminary written authorization of the publication manager. Failure to comply with these restrictions shall constitute a forgery engaging the civil and criminal liability of the forger.

Only the paper reproduction is authorized under conditions of a use in strictly personal purposes, a respect for the integrity of the reproduced documents, or in short quotation with clear and readable mention of the source, for example under the following form "Extracts from the site [URL of the website]. All rights reserved Societe Generale group. "

The trademarks quoted on the site are protected: their reproduction or use is forbidden.

Hypertext links: Societe Generale shall not be liable for the hypertext links towards other websites, and particularly for the contents of the linked websites.

Societe Generale shall not be liable for the hypertext links towards this website.

**Personal data**

We process all personal data on the basis of the German data protection regulation (DS-GVO) and the BDSG (neu). Information on data protection, the handling of your personal data and your data protection rights can be found below under the menu point "Data Policy".

**Cookies**

The website uses "cookies". A cookie is a text file which is stored by your browser which is used to authenticate you during your browsing on the website. We use cookies on our site to allow a more effective and secure navigation for the users.
